NOTICE

**The popular science writing competition by IndiaBioscience,
'Write On—2024'- Call for Write-ups.**

Dear Students,

The science writing competition, *Write On—2024*, is being organized by IndiaBioscience to make Indian life science research accessible and engaging for the general public. Diverse styles of popular science writing, including storytelling, fiction, book reviews, and interview articles, are encouraged. Submissions of unpublished, creative write-ups about personal research (or research of interest) are being invited, with word limits set between 1000 and 1200 words, crafted to appeal to an average reader.

For more details, please follow the link: <https://bit.ly/WriteOn-2024?r=qr>

Guidelines for the application:

- 1) Consult your mentor for the finalization of the write-ups as per the guidelines of the organizers.
- 2) The plagiarism should be less than 10%.
- 3) Get the approval from the supervisor through email.
- 4) Then, click on the below QR code and upload the three most necessary things:
 - A. Write-up,
 - B. Plagiarism report,
 - C. Pdf copy of approval mail from the guide.
- 5) The deadline for submission of abstracts in the below QR code is **15.12.2024**.
- 6) After obtaining approval from the institute, submit the approved abstract to the Google form link given in the IndiaBioscience website mentioned above following the instructions.
- 7) **No Write-up should be submitted to the conference website before obtaining approval from the institute.**
