Training and Placement Cell of GNIPST would like to inform you that **M/S Diamond Beverages Pvt Ltd**, is offering the under mentioned position for **B.Sc Biotechnology/Microbiology students (Batch 2025)**.

The link will remain active till **11th February, 2026 (5.30 pm)**

About the Company – Diamond Beverage Pvt Ltd

It is one of the leading bottling partners of The Coca-Cola Company in Kolkata. Founded in 1993, Diamond Beverages (P) Limited (DBPL) has maintained an indomitable market position ever since, now trusted by thousands of retailers and distributors in the city. They are involved in all aspects of beverage bottling, which include manufacturing, packaging, and distribution.

They have a large and committed team that, in sync with the state-of-the-art infrastructure, enables us to deliver on our customers' needs and maintain a consistent supply of soft drinks in the communities we serve. At DBPL, we have a large portfolio, packing a wide range of soft drinks, juices, water, and other hydration solutions.
